

KENTUCKY HORSE SHOWS IMPORTANT EQUINE HEALTH REQUIREMENTS

The management of the Kentucky Horse Shows would like to issue the following requirements to all exhibitors who plan to travel to the Kentucky Horse Park for any events this year. Monitor our website at www.kentuckyhorseshows.com for any additional recommendations or requirements.

1. The state of Kentucky requires that all horses entering the state provide a negative Coggins test within one year of entry as well as a Certificate of Veterinary Inspection (Health Certificate) signed by a licensed veterinarian within 30 days of entry. Horses originating within the state of Kentucky are required to have a Certificate of Veterinary
2. Inspection within 150 days. All horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the grounds and the date of vaccination must be noted on the Certificate of Veterinary Inspection or documented by means noted in USEF GR844.
3. To facilitate the inspection process by Kentucky Department of Agriculture personnel, **this paperwork must accompany the horses** upon arrival and be available throughout their stay.
4. It is recommended that all horses arrive between the hours of 7 am and 7 pm. If it is absolutely necessary to arrive at any other time **you must** call the Stable Office at least 24 hours before arrival to make those arrangements. That telephone number is (503) 510-8797.
5. Please take your horse's temperature on a regular basis so as to establish a normal temperature. If that temperature is elevated prior to shipping to Kentucky please consult your veterinarian as to the advisability of shipping that horse.
6. Immediately upon arrival please take your horse's temperature and if it is elevated consult a licensed veterinarian.
7. If your regular veterinarian is coming to the Kentucky Horse Park to treat your horse(s) he or she must register at the Stable office and receive guidelines for the reporting of any suspicious occurrences.
8. Please be conscious of the need to exercise good hygiene and vigilance in the day to day care of your animals.
