ALL HUNTERS

Courses will simulate fences found in the hunting field such as: brush, wall, in-and-out, oxers, post & rails, gate, aiken and panels.

All Hunter Classes are held in accordance with USEF HU118 Option A jogging for soundness: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance.

In some classes the area of the Courtesy Circle may be restricted by a mandatory line. This line will be indicated on the course diagram and a corresponding barrier will be erected in the ring.

All classes will be judged on performance and soundness unless otherwise noted. Trophy and eight ribbons will be presented in each hunter class unless otherwise noted.

A Champion and Reserve Champion title will be awarded to two of the four horses acquiring the most points over fences in each hunter section. In addition to these points, only these four horses will receive full points for one under saddle class.

FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulteur or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of the United States Equestrian Federation, Inc. (the “Federation”) and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cable-casts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. If not currently a USEF Active Competing member or Subscriber and competing only in classes that are exempt from membership requirements, I acknowledge and agree that I will be enrolled at no cost as a USEF Fan and my USEF Fan Account will continue to annually automatically renew unless and until USEF determines in its sole discretion to terminate my Fan account. Additionally, I acknowledge that the benefits of a USEF Fan are subject to change without notice. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

USEF MOTORIZED VEHICLE RULE - GR1301.7 & 8

Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver’s license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed “unsafe use” if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
